

Bunny Chain

Cut out the main rectangle. Make the first fold along the vertical line bordering the gray area. Using the first fold's width as a guide, fold the rest of the paper accordion-style (back-and-forth folding). Cut away the gray area on the accordion-folded paper. Unfold to reveal a chain of bunny heads. For step-by-step instructions with photos, visit our Paper Bunny Chain craft (http://www.firstpalette.com/Craft_themes/Animals/paperbunnychain/paperbunnychain.html).
